## ARTICLE I: RECOGNITION

- A. The Board of Education has recognized East Rochester Teachers' Association, hereinafter referred to as "Association", as the exclusive bargaining representative for all the certified teaching personnel regularly employed in the District, excluding administrative staff. The East Rochester Teachers' Association shall have unchallenged representation status for the longest period permitted under the relevant provisions of New York State statutory law.
- B. The Superintendent hereby affirms that he will not engage in any acts of reprisal against any individual nor against the Association for exercising the rights guaranteed by Section 202 of the Public Employees' Fair Employment Act.
- C. No public employee or employee organization shall engage in a strike, and no public employee or employee organization shall cause, instigate, encourage or condone a strike.

## ARTICLE II: NEGOTIATIONS PROCEDURES

- A. This Agreement shall constitute the full and complete written commitments between the Superintendent and the Association and may be modified only through consent of the Superintendent and the Association in the form of a written and signed amendment to this Agreement.
- B. During the month of October of the year preceding the expiration of this contract, the Superintendent and the Association shall enter into good-faith negotiations for a successor Agreement. If the parties cannot agree on a successor Agreement, the parties will be governed by the provisions of Section 209 of the Civil Service Law.

## ARTICLE III: TEACHING CONDITIONS

### A. Class Size

The Superintendent and the Association acknowledge the current recommended guidelines of the New York State Education Department.

Kindergarten	18 - 23 Pupils
Grades 1-3	20 - 23 Pupils
Grades 4-6	23 - 27 Pupils
Learning Disabilities	10 - 15 Pupils

The present policy is an average of twenty-five (25) pupils in kindergarten through grade six, and from twenty (20) to twenty-five (25) in grades seven through twelve. Every possible effort will be made to keep within the confines of this policy and work toward the State Department guidelines.

## **B. Teaching Hours**

The ERTA and the District agree that teaching is a profession that is not limited by a specific length of time for teachers to be on duty. It is understood that there are occasions when professional teaching responsibilities require that the teacher be on duty past or less than the usual workday.

Teachers are usually expected to be on duty for 7 hours and 30 minutes inclusive of a duty free lunch. At the elementary level the duty free lunch shall be a 30-minute (real time) time period. At the secondary level, the duty free lunch shall be one period long.

## **C. Meetings**

It is recognized that attendance at faculty/professional learning meetings is a professional responsibility of the unit member.

1. The District may schedule one mandatory (60 minute) faculty/professional learning meeting per month to be held after student dismissal. The District will publish the dates and times of these meetings prior to the start of the school year. The scheduled dates may be changed upon mutual consent of the ERTA and the District.
2. The District may schedule a 2<sup>nd</sup> (60 minute mandatory) faculty/professional learning meeting per month (up to 7 per year). The District will publish the dates and times of these meetings prior to the start of the school year. The scheduled dates may be changed upon mutual consent of the ERTA and the District.
3. Any additional faculty meetings will be held only in the event of an emergency. Attendance at faculty meetings is a professional responsibility of unit members.

## **D. K-5 Teaching Load**

Within the usual teaching day, all K-5 teachers will be provided 120 minutes of Professional Teaching Activities (PTA) time each day. PTA time shall be determined individually and collectively by teachers. In cases of perceived improper use of PTA time, the principal and association representative may be asked to participate in the resolution of the problem. A minimum of 40 consecutive minutes of PTA time, for each teacher, must occur during the hours of student attendance.

When the need arises, if a teacher agrees to teach an extra class outside the regular school day they shall be compensated based upon a per class rate as determined by the following formula:

$$\text{Annual Salary} / 200 \text{ Days} / 6 \text{ Classes} = \text{Rate Per Class}$$

The teacher shall submit a timesheet, recording on it each instance they teach the extra class.

## **E. 6-12 Teaching Load**

6-12 Teachers with the exception of teachers of special education, second language, technology, physical education, art, and music shall not be assigned more than 5 classes and/or labs, or more than 4 preparations. Preparations are defined as classes within the subject assignment and for which there must be separate lesson plans (e.g. Math 9, Course II Regents and Course 3A = 3 Preparations). Class loads shall not exceed 150 students. A sixth period supervisory assignment or tutorial (reteach) period may be assigned. A sixth teaching assignment may be given to one member of an academic department. Other department members may volunteer for a sixth teaching assignment. Teachers with a sixth period teaching assignment may not be given a supervision assignment or tutorial (reteach) period.

Occasionally a situation will arise whereby a Grade 6 through 12 academic teacher (English, Social Studies, Science, and Math) is asked and accepts a 6<sup>th</sup> teaching assignment during the regular school day.

Given that this is one additional 6<sup>th</sup> assignment above what is stated in the contract the District and the ERTA have agreed to compensate those two teachers at an additional 10% of their annual salary. The formula to justify the above is as follows:

$$\text{Annual Salary} / 5 \text{ Classes} = \text{Rate Per Class} / 2 = 10\%$$

The teacher shall be compensated equally over the number of pay periods allocated for teachers.

Any new subject area created by the State Education Department will be contractually classified according to the mutual agreement of both the superintendent and the ERTA President. If they are unable to agree the new subject will be treated as are the exceptions above until expiration of the contract.

6-12 Teachers will be given two period-long time periods for Professional Teaching Activities (PTA). These activities shall be determined individually and collectively by teachers. In cases of perceived improper use of PTA time the principal and association representative may be asked to participate in the resolution of the problem. These periods can only be reduced as outlined below.

Teachers may be given a homeroom assignment. Teachers not given a homeroom may be assigned a like duty such as hall or door duty. This assignment may be scheduled during homeroom time or during student lunch times. Teachers who are free from assignment during homeroom time may be assigned an equivalent time period during student lunch times for hall or door duty. Such assignment may infringe on one PTA period or lunch period.

Examples of Professional Teaching Activities include:

1. Instructional planning
2. Set-up and preparation for instruction

3. Interdisciplinary collaboration/planning
4. Student assistance
5. Consultation
6. Grading
7. Parent and administrative conferences
8. Grade level/department meetings

Part-Time Teachers: A part-time teacher, for the purposes of this contract, shall be determined as follows: 5 teaching assignments is a full-time teacher. A teacher teaching less than 5 assignments shall fractionalize the number of teaching assignments by 5 (e.g. a teaching load of 3 classes would be a  $\frac{3}{5}$  teacher). A part time teacher may be assigned a supervisory period. However, each supervisory period beyond the first such assignment shall be considered an additional teaching assignment (e.g. a teaching load of 3 classes plus 1 supervisory period is a  $\frac{3}{5}$  teacher; a teaching load of 3 classes plus 2 supervisory assignments is  $\frac{4}{5}$  teacher). Part-time staff who are 0.8 will receive benefits according to Article XI of this contract.

## **F. Extracurricular Activities**

The Association recognizes that teacher responsibility to their students and their profession requires the performance of duties that involve some expenditure of time beyond that of the normal school day. The District recognizes that participation in extracurricular activities is strictly voluntary. The District will make every effort to assure that vacancies are filled.

## **G. Teacher Facilities**

Appropriate, conveniently located faculty lunchrooms and lounges shall be made available to teachers.

Telephone service shall be made available for teacher use during school hours for local, non-business calls. However, every effort should be made by all parties concerned to minimize classroom interruptions.

A representative of the Association will meet with the Building Principal to develop rules and procedures for the use of teachers' lunchrooms and lounges and to discuss any problems related to the use of these facilities.

## **H. Kindergarten Physical Education**

Kindergarten pupils will be provided with Physical Education instruction. Physical Education instruction will be given by certified Physical Education teachers.

## **I. Part-Time Employees**

Part-time employees working less than eighty percent (80%) on a regularly-scheduled basis will receive no benefits. The part-time employee may enroll in the District health

group plan by paying the full cost of the premium. Part-time employees do not accrue seniority or acquire tenure.

## **ARTICLE IV: TEACHER ASSIGNMENTS**

- A. Administrators shall notify each teacher by the first Friday in June of his/her tentative grade or subject(s) assignment for the coming year. The teacher will be notified as soon as possible of any change in this tentative assignment. Any change after the first business day in August will have to be agreed upon by the teacher. If any unpredictable element such as death or resignation occurs, the principal will, of course, have the right to change assignments as necessary. The notification does not include the number of sections of each class or supervisory assignments.
- B. Teachers will not be assigned except under unusual circumstances, and then according to Education Law, outside the scope of their teaching certificates.
- C. When a teacher is reassigned (voluntary or involuntary) to a subject area or grade level for which they are certified but have not recently been assigned, he/she shall be offered:
  - 1. A mentor teacher for up to half (1/2) a school year
  - 2. Up to four (4) professional days (no more than one of these days may be used for moving classroom materials). The professional days are seven and a half (7.5) hours per day and will be paid at the curriculum rate Article XV, C, 4. Extra Pay for Extra Services.
- D. The District shall provide one (1) period per day (or the equivalent for an elementary teacher) for the President of the Association for the purpose of conducting Association business. Also, at least one (1) of those time slots are to be spent in meeting directly with the Superintendent on matters of mutual concern to the District and the Association.
- E. Grade Level Leaders (K-5) and Excellence Leaders (K-5, 6-12, and K-12)
  - 1. The district shall establish the positions of Grade Level and Excellence Leaders by July 1, 2020.
  - 2. The additional stipend for Grade Level Leaders (K-5) and Excellence Leaders (K-5, 6-12, and K-12) shall be set forth in Article XV, C, 8: Extra Pay for Extra Services.
  - 3. In order to be considered for a Grade Level or Excellence Leader position, ERTA members must be tenured to formally apply to the Superintendent expressing their interest. All applicants will be interviewed by a committee consisting of ERTA representation (as determined by ERTA Leadership) and administration. Grade Level and Excellence Leaders will be appointed for a three year term and will be eligible to reapply at the expiration of the three year term.
    - i. As of July 1, 2020, Grade Level and Department Leaders in their first year of a two year, seniority based term under the contract ending June 30, 2020, will continue on for the 2020-2021 school year in the position so

long as they agree to the new responsibilities and evaluation criteria outlined in this Article for the Grade Level and Excellence Leader position. For contract year 2020-2021, if a Grade Level or Department Leader position becomes available, the unit member who is next in line, and who has not been a Grade Level or Department Leader or who has not previously declined the position, will be entitled to the Grade Level or Excellence Leader position provided they agree to the new responsibilities and evaluation criteria outlined in this article. For Grade Level or Department Leaders completing their second year ending June 30, 2020, the position will be posted and members must apply for the 2020-2021 school year. (This paragraph to be sunset at the end of the contract.)

4. Grade Level and Excellence Leaders will be afforded release time at the discretion of the Superintendent and the Executive Director of Curriculum, Instruction, and Professional Development, scheduled by mutual agreement of the unit member and the Instructional Leadership Team, between the months of September and June.
5. Grade Level and Excellence Leaders will be required to participate in two (2) summer work days as part of the paid stipend (payable at the end of August with the remainder to be paid throughout the year).
6. Excellence Leaders will also be required to attend seven (7) District Curriculum Council Meetings as part of the paid stipend per year from 3:00PM - 5:00PM. The schedule will be disseminated by the end of August.
7. Grade Level and Excellence Leaders are required to participate in Professional Teacher Leadership Training (6 hours) to be completed within the first year of appointment.
8. The District leadership structure is outlined below. No one ERTA Member can hold more than one of the above positions at any time). The following groups will be absorbed into their respective Grade Level Bands (K-1, 2-3, 4-5): Speech & Language, Academic Intervention Specialists, and Consultant Teachers.

## **ARTICLE V: EMPLOYMENT POLICY**

- A. The Superintendent and the Association are desirous of maintaining a superior teaching staff. Therefore, it is agreed that the Superintendent will make available, through adequate and timely publicity, all unit positions which are, or will be available in the system. This publicity will include notice in all faculty rooms thirty (30) days prior to the filling of such vacancies.

Teacher reassignment will be handled in the following manner: Any teacher who wishes to be considered for reassignment to another grade level or subject area shall indicate such by submitting a letter of interest to the Superintendent and building principal by March 15<sup>th</sup> of the school year prior to the potential reassignment. The letter of interest should be submitted annually. If there appears a possibility that teachers will be reassigned, all teachers who may be eligible for reassignment will be invited to visit with the Superintendent, or his/her designee, to discuss the reason for the potential reassignment before any decision is made. The Superintendent, or his/her designee, will take into consideration the teacher's preference and seniority on reassignment but the final decision will be made by the Superintendent. After discussion with the teacher(s) and consideration of volunteers for the position(s), the teacher(s) who is (are) to be reassigned will be notified of the reassignment. If the teacher who is reassigned is not one of the volunteers, the Superintendent and the principal(s) will meet with the teacher selected for the position to review the reasons for the reassignment.

- B. The term "seniority", as used for layoff and recall purposes shall be defined as follows: Length of continuous service within the District computed from the most recent date of hire within the unit, applied within a tenure area, subject only to the specific exceptions set out below:
1. Where a unit member has previously been employed within the unit, thereafter worked outside but within the School District, and returned to unit membership, time spent outside the bargaining unit shall not be counted for seniority purposes but all time spent within the bargaining unit shall be included.
  2. Paid leaves of absence will be included within the seniority calculations and shall not be deemed to be a break in seniority.
- C. Teacher employees who are non-residents of the District and who wish to have their child attend the East Rochester Union Free School District may do so upon appropriate notification to the District. For teacher employees whose children do attend the East Rochester Union Free School District, non-resident tuition will be waived.

## **ARTICLE VI: SUMMER SCHOOL**

If there is a District sponsored summer school program, properly certified ERTA unit members shall be given the first opportunity for summer school positions.

## **ARTICLE VII: PROTECTION OF TEACHERS**

### **A. Assistance in Assault Cases**

1. Principals and teachers shall be required to report all cases of assault suffered by teachers in connection with their employment to the Superintendent of Schools. The Superintendent of Schools shall acknowledge receipt of the report and proceed according to Education Law.
2. The school's legal counsel shall inform the teacher immediately of his or her rights under the law; shall provide such information in a written document, and shall notify the teacher of his or her readiness to assist the teacher as follows:
  - i. By obtaining from police and/or from the principal relevant information;
  - ii. By accompanying the teacher in court appearances; and
  - iii. By acting in other appropriate ways as liaison between teacher, police and the courts.

### **B. Teacher Disciplinary Action - Legal Counsel**

The Board will provide legal counsel to teachers in any litigation amongst disciplinary action taken while in the discharge of duties within the scope of his or her employment. The teacher must, however, within ten (10) days of service of summons, complaint or other legal paper, deliver the original or a copy thereof to the Superintendent.

### **C. Transportation of Students by Teachers**

Although teachers will not be required to use their own cars to transport students to school-sponsored or school connected events, if they choose to and with Administration and Parent/Guardian approval, they will be covered under the Board-provided comprehensive secondary insurance. Approved transportation of students by teachers will be reimbursed at the Board Approved IRS rate.

### **D. Personnel Files**

1. The official District personnel file shall be kept in the Central Office.
2. A teacher and his or her representative, if he/she so desires, may have access to all material in his/her file during normal business hours, except pre-employment recommendations and material not connected with employment, such as references for other than District employment. If the teacher has any concern about his/her personnel file, he will make that concern known to the central administration as soon as possible.
3. A teacher shall be allowed to have copies made of any documents contained in his/her file, exclusive of recommendations. Teachers will assume cost at the going rate.

4. No material shall be placed in a teachers' personnel file without teacher acknowledgment. A teacher must acknowledge receipt of such material and may submit a written notation regarding any material. The same shall be attached to the file copy of the material in question.
5. Any complaint made against a teacher or person for whom the teacher is administratively responsible, by any parent, student or other person shall be called to the attention of the teacher within five (5) days of the complaint if the complaint is to be placed in the teacher's personnel file.
6. The procedures of the above paragraph apply to these records as well as all others placed on file.

## **ARTICLE VIII: ABSENCE FROM DUTY**

### **A. Personal and Family Illness**

All full-time teachers shall be allowed twelve (12) days absence each year, without any deduction in salary, due to personal or immediate family illness or accident in immediate family or for unusual circumstances brought about by illness or accident in the immediate family. These days will be taken from the personal Sick Leave Reserve. Immediate family will be defined to mean: spouse, child, father, mother, sister, brother or relative living in the household.

Any of the above unused days shall be credited to a sick leave reserve. The total limit of this reserve shall be 230 days.

A doctor's statement shall be presented before payment can be made when absence due to illness exceeds five (5) consecutive days. (Form provided by the school office before sick leave payment can be made.)

#### **1. Sick Leave Part-Time Teachers - Definitions:**

- i. *Part-Time Teacher*: That teacher employed on a regular basis but whose work is less than thirty school hours per week.
- ii. *Sick Day*: for part-time teachers, a sick day is that scheduled work day they are regularly assigned. For example, a teacher working 3/5 time gets a sick day equal to that fractional time. The intent is that a sick day equals the work day and that pay for a sick day equals pay for one part-time work day.

2. Part-time teachers shall be allowed twelve (12) days of absence due to personal or family illness or accident each year without deductions in salary. Any unused sick days at the end of the school year shall be credited to a Sick Leave Reserve proportionately restricted as for a full-time teacher.

3. Any part-time teacher who has accumulated unused sick days at the end of a school year and who will move to a full-time work schedule the following year, such accumulated unused sick days will be prorated and converted to full-time day equivalents. For example, a  $\frac{3}{5}$  part-time teacher who has not used the 12 part-time sick days per year and who moves to a full-time schedule will have accumulated  $\frac{3}{5}$  of (12) full-time sick days or seven (7) full-time sick days.

## **B. Sick Leave Bank**

The ERTA shall administer the sick leave bank.

## **C. Personal Accident**

The personal illness procedure shall apply to personal accident except that:

1. The District carries employees' compensation insurance. In the event of an accident covered by such insurance, professional employees shall be paid the difference between the wage allowance under compensation and the salary which would have been earned had there been no absence from duty.
2. Any award for permanent injury or disfigurement is excluded in this consideration.

## **D. Death in the Family**

In the event of a death in the family, all employees covered in the agreement shall be allowed up to five (5) work days paid leave--these days do not need to be used consecutively.

## **E. Jury Duty**

Professional employees called for jury duty shall receive their salary less jury fees.

## **F. Personal Business Day**

Two (2) days per year will be granted for personal obligations. These days shall not be cumulative, shall not be the last day before a vacation or the first day following, or be used on a Professional Learning Day, except at the discretion of the Superintendent, and will not be taken from sick leave. Notice of absence for personal reasons to be filed prior to absence whenever possible, but statement of reason is not required. Personal obligations shall be interpreted to mean those obligations that are impossible to be satisfied other than during school hours. They should not be interpreted to mean planning or being involved in work or employment other than that directly related to education. Possible business day obligations include but are not limited to:

- Wedding (self, close friend or immediate family);
- College graduation of son or daughter;

- Transporting a son or daughter to and from college;
- Receiving an advanced degree;
- Subpoena, court attendance, house closing, moving;
- Religious observance;
- Death (other than immediate family);
- Personal business having a direct application to the teacher's duties.

## **G. Visiting Days**

Any professional employee on the permanent staff will be allowed one visiting day each year to visit another school or attend a conference, provided such visit is approved, in advance, by the Superintendent of Schools. Professional employees will be responsible for expenses involved on such visits when the visiting day is initiated by the employee. However, when the visiting day is initiated by the School District, the School District will bear the traveling expenses.

## **H. Pregnancy Disability Leave/Child Rearing Leave**

### **PREGNANCY DISABILITY LEAVE**

1. A written request for a pregnancy/disability leave is to be submitted to the superintendent and building principal as soon as practicable after the pregnancy has been confirmed but not later than three (3) months prior to the anticipated leave date. The teacher/unit member will submit a written note from the physician indicating the start and end of the disability period. The unit member must also complete FMLA paperwork. Unpaid days will be available where the number of sick days/sick bank leave days will run out.
2. A unit member who is ill/disabled will be able to utilize sick days for the 6 week (natural birth) or 8 week (cesarean section) postpartum for the childbirth period provided the unit member has sick days available to cover the disability period.
3. During a paid leave of absence, the unit member will receive all contractual benefits, receive health insurance, dental and vision insurance as an active employee and there will be no interruption of seniority.
4. Provided the unit member is eligible for FMLA, Family and Medical Leave Act will run concurrently with the childbirth disability leave.
5. Unless additional unpaid leave of absence is applied for, the unit member is expected to return to the position on the next workday upon the conclusion of the childbirth period as indicated by the physician after the disabling condition ends.
6. Paid leave includes regular compensation but not compensation for stipends and extracurricular activities or the like.

## UNPAID CHILD REARING LEAVE

1. A unit member no longer ill/disabled due to pregnancy is expected to return to work unless a unit member requests an unpaid child rearing leave.
2. The unit member must make a written request directed to the superintendent at least 30 days before the requested date of the unpaid childcare leave. The board in its discretion may approve or deny the request. The leave is limited to the balance of the current school year and up to one additional school year.
3. A request for an unpaid child rearing leave may be granted on a case-by-case basis.
4. Upon return, the unit member teacher shall be placed in the same or a similar position for which qualified.
5. All benefits shall be reinstated upon the unit member's return; however, the unit member shall not advance in salary unless the unit member taught at least six (6) months of the school year in which his/her leave commenced.
6. Time spent on an unpaid leave of absence shall not be credited toward completion of the probationary period nor will the unit member continue to accrue seniority.
7. No benefits shall accrue while on an unpaid leave of absence.
8. A unit member on an unpaid leave may continue, at his/her own expense, participation in the group health, dental, vision, and life insurance programs under COBRA and may be subject to an administrative fee.
9. A unit member will be restored to a position within his/her certification or tenure anywhere in the district upon return to the district.
10. If applicable, Family and Medical Leave will run concurrently with this leave.

### **I. Adoption Leave**

1. Any teacher adopting a child or children will be granted a one-year leave of absence without pay upon request.
2. Upon return the teacher shall be placed in the same or similar position for which qualification exists. All benefits shall be reinstated upon teacher's return. Salary will commence at the next appropriate salary step for that individual. (For example, a teacher who leaves after a year when on step 12 will be placed on step 13 when he or she returns.)

### **J. Notification of Absence**

Notification of absences shall be made as soon as possible to the principal or principal's designee of your school so that adequate substitutes may be secured. In case of absence

not mentioned in the above regulations, the Principal of your building shall be contacted sufficiently soon so that approval and necessary arrangements may be made.

#### **K. Termination of Employment**

Upon termination of employment other than retirement, all sick leave allowance is canceled. No payment for unused reserve will be made.

#### **L. Salary Deduction**

In the event of full salary deduction, 1/200<sup>th</sup> of the annual contract salary will be deducted for each full day of absence.

#### **M. Notification of Return**

After an extended period of paid or unpaid leave, the unit member will provide the District with a written notice of intent to return or not return to work, especially if said return date or intent was not indicated on the initial request for leave.

### **ARTICLE IX: PAID PROFESSIONAL LEAVES**

#### **A. Intent**

The intent of the paid professional leave program is to permit the regularly certified full time professional employees to further their professional growth on a long-term basis and to qualify themselves for better professional service to the District.

It should be understood that the paid professional leave program is a privilege and not a right of employment. The mere completion of the minimum number of years of employment does not in itself justify the expectation of the leave.

#### **B. Purposes for Which Paid Professional Leave May Be Granted**

ERTA unit members who have completed satisfactory service in the East Rochester Union Free School District (ERUFSD) may apply for a paid professional leave to improve personal and professional preparation. The specific reason for a request for leave will vary from person to person. However, it is expected that most requests will fall in the following areas:

1. *Study*: Advanced study in a recognized field which enables participants to improve their teaching, administrative and supervisory skills and thus enhance the educational program of the ERUFSD.
2. *Research*: Participation in a research program, individual research or institutional research which will improve knowledge of their field and better prepare the individual staff member for service to ERUFSD. Along with research some staff members may want to use a professional leave to write a dissertation, a textbook or a series of articles.

3. *Teaching:* There are many excellent school systems in which new and exciting explorations are taking place. It would seem to be a benefit to the ERUFSD to allow its teachers to use a paid professional leave in teaching in an outstanding school system. This might be teaching at a university in a foreign school in experimental or institutional settings, or in an eminently superior school setting. Such participation should be a significant addition to our own curriculum and procedures.
4. *Industry:* There may be times when a unit member would gain by using a paid professional leave to work in industry. Industrial experience would prove beneficial to those teachers dealing with programs related to industry or business.

### **C. Length of Professional Leave**

It is assumed that in most situations the request for paid professional leaves will be a request for a full year away from the school. However, consideration will be given to half-year absence.

If the one-year leave of absence is not sufficient for the completion of an academic program or perhaps a research program, participants may apply for an additional leave of absence without pay with assurance of reappointment to the system upon completion of this leave.

### **D. Eligibility and Qualifications**

1. All full-time unit members of the School District who meet the requirements listed are eligible to apply for the paid professional leave program.
2. *Length of Service:* An application for paid professional leave will be accepted after an applicant has served satisfactorily as a full-time professional employee in the ERUFSD for a period of (5) years.
3. Application forms for paid professional leaves should be obtained from the Superintendent. Completed applications must be returned to the Superintendent by March 1<sup>st</sup> of the year prior to the school year for which the leave is requested.
4. The granting of a paid professional leave for a given unit member in a given year is contingent on the availability of a suitable replacement. If a suitable replacement is unavailable in a given year and an applicant is denied the granting of a paid professional leave for that reason, he will receive priority for the following year or when a suitable replacement is available.
5. No more than two members of the ERTA staff regularly employed in a given year may be granted paid professional leave.
6. A unit member, having made an application for a paid professional leave, will be allowed to withdraw as a candidate without penalty if their withdrawal comes prior to the employment of his replacement or when other arrangements can be

made for the given school year. If a unit member withdraws their application in a given school year, the unit member will remain on the eligibility list until their paid professional leave is taken.

7. The granting of a paid professional leave will in no way jeopardize the applicant's eligibility for receiving fellowships or other leaves of absence at later dates. Time spent on professional leave will be considered equivalent to service within the School District except that it will not be considered as a year of service in computing the five-year requirement for an additional paid professional leave.

## **E. Stipends and Benefits**

1. A unit member who has received a paid professional leave for a full year may be granted up to one-half their normal teaching salary for which they are eligible during the year the unit member takes their leave, exclusive of extra duties. If the unit member is granted a half-year paid professional leave, the unit member can be granted up to their normal teaching salary for that half year.
2. The salary to which a paid professional leave recipient is entitled will be paid on a regular school year payroll schedule.
3. Paid professional leaves shall be considered as a year's service for a regular step on the salary schedule.
4. Credit for hours accrued on a paid professional leave will be granted immediately after returning from leave, subject to the restrictions of the salary schedule in effect at that time, and the receipt of an official transcript.
5. A unit member awarded a paid professional leave will be eligible for across-the-board salary increases which become effective while he is on leave.
6. A unit member awarded a paid professional leave will be appointed to at least a comparable position their return.
7. Provisions will be made for health insurance, major medical and other fringe benefits for which a person would normally be eligible.
8. Recipients of a paid professional leave must report scholarships, grants in aid, teaching salaries, fellowship aid, research grants or other forms of related income. The salary grant from the School District may be contingent on these other forms of income. Total income while on leave shall not be more than the scheduled local teaching salary.

## **F. Obligations**

1. Recipients of a paid professional leave from the ERUFSD are obligated to return to the ERUFSD to serve a minimum of two years after completion of their leave program.

2. If for some reason the recipient does not return to the ERUFSD after the completion of his paid professional leave and any extensions such as a leave of absence without pay, he shall contract to reimburse the School District for all monies expended by the District for their benefit during the extent of the paid professional leave.
3. If the recipient returns to the School District but leaves before their obligations are completed, he must reimburse the School District proportionately for the time yet to serve under the conditions outlined in (2) above.
4. In the event of death or disability, the recipient of a leave of absence or his estate would not be expected to reimburse the School District.
5. Along with the application for a paid professional leave the teacher must submit a detailed plan of the way in which the paid professional leave would be spent and its educational relevance. This plan shall be evaluated in terms of its educational relevance and approved by the Superintendent before the professional leave is granted.
6. All recipients must follow carefully their proposed and accepted plan and any deviations from the plan must be reported immediately to the Superintendent. The continuation of the paid professional leave will be dependent upon acceptance of the change in plans. This, of course, would not be applicable to small changes in college study plans as perhaps would be dictated by the chairman of a degree program or of a department.
7. All paid professional leave recipients must make a comprehensive final report to the Board of Education, the Superintendent and other groups within the school setting as directed by the Superintendent.
8. Interim reports, while not necessary, are desirable and would be welcomed.
9. If a paid professional leave is given for study, there will be no restrictions as to the minimum number of hours taken in a given semester, or a given year, but the anticipated program will be approved by the Superintendent, and it is expected that a recipient will carry on a full-time study program.
10. On paid professional leaves granted for research, the major part of the recipient's time must be spent in active research endeavors. This would include active field research plus library research and writing the reports of the research such as in a doctoral thesis.
11. It is expected that on paid professional leave programs granted for teaching as outlined under "Purposes", the work would be of such a nature that benefits could be derived by the ERUFSD on the return of the recipient.

## **ARTICLE X: GRIEVANCE PROCEDURE**

### **A. Definition**

Any dispute concerning the interpretation of application of this Agreement may be raised as a "Grievance" by either party to this Agreement. Days are to be working days, which shall mean all days the District Office is open but not including recess periods.

### **B. Time Limits**

1. Since it is important that grievances be processed as rapidly as possible, the number of days permitted to any party at any step should be considered a maximum and every effort will be made by all parties to expedite the process.
2. The primary purpose of the procedure set forth in this article is to secure, at the earliest level possible, equitable solutions to complaints or grievances of teachers or groups of teachers or the Board. Both parties agree that proceedings under this Article shall be kept as informal and confidential as may be appropriate.
3. The time limits may be extended by mutual agreement.

### **C. General Principles**

1. It shall be the firm policy of the Board to assure to every teacher an opportunity to have unobstructed use of this grievance procedure without fear of reprisal or without prejudice in any manner to his professional status.
2. The failure of an aggrieved party to raise a grievance in the prescribed time period or to proceed to the next step within the time limit set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance, provided, however, in the event new facts are obtained which were not previously known to him but which, if they had been known, might have influenced the disposition of the grievance, the presentation of such information to the parties in interest shall constitute grounds to reopen the grievance procedure at that level at which it had been terminated; provided further, in the event a decision has been rendered in a grievance and the decision has not been implemented or has been violated the presentation of such evidence to the parties in interest shall constitute ground to reopen the grievance at the level at which had been terminated.
3. At any level, the failure of an Administrator to communicate his decision to the teacher within the specified time limits shall permit a teacher and/or the professional status committee to proceed to the next level.
4. If a grievance is filed on or after June 1<sup>st</sup> through September 15, days between June 1 to and through September 15 shall mean teacher working days. For grievances filed at any other time during the school year, days shall be as defined in Section A.

5. Forms for filing grievances, serving notice, taking appeals, making reports and recommendations and other necessary documents will be jointly prepared. The Board shall then print appropriate forms for distribution so as to facilitate operation of the grievance procedure.
6. Decisions rendered at each step of the grievance procedure shall be in writing, setting forth the decision and the supporting reasons therefore, and will be promptly transmitted to all interested parties.
7. If in the judgment of either party, a grievance affects a group or class of teachers and appears to arise from the alleged action of authority higher than the Principal of a school or is associated with system-wide policies, it may be submitted directly at Step 2, to be described below.
8. Every effort will be made to schedule grievance hearings after school hours. If unable to accomplish it after the hours of employment, investigation of grievances as may be required shall be conducted during the hours of employment. In the course of such investigation, representatives of the Association will advise the Principal of the building being visited of the purpose of the visit immediately upon arrival. Every effort will be made to avoid interruption of classroom activities and to avoid involvement of students in any phase of the grievance procedure.
9. Nothing contained herein will be construed as limiting the right of any party having a grievance to discuss the matter informally with any appropriate member of the other party and having the grievance adjusted without imposition of the formula procedure, provided such adjustment is not inconsistent with the terms of this Agreement.

#### **D. Steps in the Grievance Procedure**

1. All grievances must be reduced to writing and submitted to the teacher's immediate superior or to the teacher (if grievance is raised by the Board) within twenty (20) days after the event occurred giving rise to the grievance. A written answer to the grievance must be rendered within five (5) days.
2. If not settled, the grievance may, within ten (10) days, be submitted to the Superintendent or the President of the Association. A meeting on the grievance shall be held within ten (10) days and a written decision on the grievance rendered within five (5) days thereafter.
3. If not settled, the grievance may, within ten (10) days, be submitted to the Board or President of the Association, who shall consider the same within five (5) days or at its next scheduled meeting, whichever is later. A decision shall be rendered within ten (10) days thereafter.

4. If not settled, the grievance may, within fifteen (15) days, be submitted to final and binding arbitration before an arbitrator selected according to the procedures of the American Arbitration Association.
5. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions of the issues submitted.
6. The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement.
7. The arbitrator shall not have the power to add to, subtract from, vary, modify or amend the terms of this Agreement.
8. Arbitration shall not have the authority to deny to the Board or the Association membership any function, judgment and discretion granted to the Board or the Association membership by law.
9. Cases involving moral turpitude or professional competence will not be arbitrated.
10. The decision of the arbitrator shall be final and binding upon all parties and shall become a part thereof.
11. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board and the Association.

## **ARTICLE XI: HEALTH INSURANCE**

### **A. Hospital, Surgical, Medical Plan**

Recognizing current practice, the Board of Education will make available to all qualifying teachers who elect to become members, Blue Point 2 Extended, Blue Point 2 Select, Blue Point Value, Blue Million (Blue Million plan expires 01/01/2013), Classic Blue, and other plans provided to the consortium and mutually agreed upon by both the Association and District.

The District shall make a premium contribution to any plan chosen by the unit member equal to the following percentage of the Blue Point 2 Value base plan as outlined below. Given that the Health Insurance Consortium is on a calendar year basis, ERTA contribution adjustments will occur on January 1, 2021, 2022, 2023, 2024 and 2025.

2023-24	85%
2024-25	85%

2. Regardless of the plan chosen by the unit member, any remaining premium liability after the District's base plan contribution shall be the responsibility of the unit member.
3. If the unit member chooses a plan where the full premium is less than the District's base plan contribution, then the savings shall be the District's.
4. A Joint Benefits Committee composed of an equal number of representatives from the District and the Association shall meet periodically to examine trends, areas of interest, savings opportunities, etc. in the area of employee benefits, including but not limited to health insurance. Any recommendations from the committee may be submitted to the Superintendent and ERTA president for consideration and possible implementation.

For unit members who retire effective July 1, 2020 and thereafter, the District will provide a premium contribution to retiree health insurance as follows:

1. The district contribution towards the premium for all retired employees will be based on the respective Years of Service / % Premium schedules in the current Contract. However, the new base plan for all retirees will be BP2 Value for those retirees up to age 65 AND Classic Blue Secure w/ \$10/\$25/\$40 Rx rider for those retirees age 65 and older.

In the event that the parties mutually agree to change to an alternate health plan, all the benefits of the plan shall be equal or better for all individuals covered under the current agreement, including retirees.

Employees retiring with less than ten years of service may enroll in the District health plan by paying the full cost of the premium.

Regarding retirees, employees who retire with a family plan may continue the family plan into retirement. The surviving spouse of a retiree will be allowed to continue in a single plan or family plan if he/she contributes 100% of the cost.

The District will provide for portability of health insurance in retirement by reimbursing premiums of retired employees who live out of state with the equivalent of the cost of premiums for instate retirees.

## **B. Dental Plan**

The District shall pay 85% of the premium costs for the Smile Saver Dental Plan, Option 1 plan for the duration of the Agreement.

## **C. Employee Assistance Program**

The District will make available an Employee Assistance Program.

## **D. Flexible Spending Account**

The District will make available a Flexible Spending Account Program. Unit members will be allowed to contribute up to the maximum allowable by law.

## **E. Health Insurance Opt-Out**

The Health Insurance Benefit Opt-Out shall be calculated and coordinated annually by the Joint Benefits Committee (JBC). The JBC shall annually determine the criteria, eligibility, and dollar amount(s) for the opt-out within the parameters outlined below.

1. Employees who elect not to enroll in any of the District's health insurance plans, not including dental, may opt-out of said plans. Eligible employees include only those unit members who qualify for district health insurance and have alternative health coverage available. The opt-out stipend shall be calculated annually by the JBC and re-calculated each year thereafter. The JBC shall consider, but not be limited to, such variables as employee utilization of benefits, premium costs, and regional opt-out models and amounts when determining the opt-out stipend.
2. The JBC shall notify eligible employees by October 1<sup>st</sup> of each school year about the opt-out requirements and potential dollar stipend. Any eligible and interested employee must give revocable written notice of intent to the Business Office by October 20<sup>th</sup> that he/she intends to opt-out of the district's health insurance plans for the following calendar year (January 1 - December 31) or part of the calendar year (e.g., July 1 - December 31). Note: The unit member's contribution for health benefits is deducted through payroll September 1 through June 30 (10 months), for health coverage from September 1 through August 31 (12 months). In other words, unit members who are 10-month employees pay for 12 months of health

coverage over the 10 months they are working, in accordance with the time frames outlined above.

3. The JBC will inform all employees who have returned a written notice of intent of the status and definitive stipend amount of the opt-out by May 20<sup>th</sup> of the school year. The opt-out stipend for individual employees shall be distributed ONLY if the total District cost for all opt-out stipends (including the necessary and reasonable administrative costs for this benefit) results in a net savings to the District. The opt-out stipend shall be paid annually in June of the next fiscal year.
4. Prior to the expiration of the District's annual open-enrollment period, the employee who wishes to opt-out must provide proof of other health insurance coverage availability (e.g., subscriber card). In addition, the employee must also sign an irrevocable health insurance waiver each year that he/she was offered health insurance but chose to participate in the opt-out.
5. Any opt-out employee who loses his/her alternative health insurance coverage during the school year (e.g., divorce or death of the individual who is the health insurance subscriber) who wishes to re-enter the District's plan, must make immediate written request to the Business Office. He/she will then be re-admitted according to the rules and regulations of the insurance carrier (e.g., Excellus). If the employee is readmitted, his/her opt-out stipend will be prorated on a twelve month basis.

## **F. Health Reimbursement Accounts (HRAs)**

The Health Reimbursement Account shall be administered as follows.

1. For the contract years 2020-21; 2021-22; 2022-23; 2023-24 and 2024-25 The District shall make an annual dollar contribution by August 1 to each unit member's HRA in the amount of \$900. However, the contribution is limited to those unit members who are enrolled in a District health insurance plan.
2. If a unit member is eligible for benefits and has been employed OR will be employed at least five (5) months for the district, he/she shall receive the HRA benefit. This benefit shall be retroactive and prorated back to the date of hire if a unit member meets the five (5) month requirement.
3. For those unit members who qualify for the HRA contribution, the District shall provide each unit member with a debit card to access his/her account. In addition, any unused balance will continue to be available to the unit member after he/she ends service to the district (e.g., retirement) until the account is exhausted. There will be no charge to the unit member or former unit member for these benefits. However, if a returning unit member severs service with the District between July 1<sup>st</sup> And September 1<sup>st</sup>, the annual contribution for that school year shall revert back to the District. Likewise, any new unit member appointed for employment effective between July 1<sup>st</sup> and October 1<sup>st</sup>, shall receive the respective HRA or 403(b) contribution retroactive and prorated back to September 1<sup>st</sup>. The proration shall be based on a ten (10) month school year.

4. Recognizing that the District is required to conform to all state and federal regulations, if any changes to the third-party plan documents for the HRA or 403(b) are required, the District and the Association agree to meet, cooperate, and address said changes.

## **ARTICLE XII: CURRICULUM**

The Association knows that an active, ever-changing curriculum which keeps pace with the times is essential. Therefore, the following suggestions are listed below:

- A. Active curriculum committees will continue to be set up on subject matter fields. Members working on curriculum committees will be chosen by the Administration so that a full range of experience is utilized. These committees will keep abreast of new materials, current practices of other schools and experimentation taking place in their fields.
- B. By the preceding February, each curriculum committee will report its recommendations, names of teachers to work on curriculum change and an itemized budget.
- C. If a curriculum committee feels a need for additional study by a teacher, or teachers, for the purpose of meeting demands of a new curriculum, a request for a grant may be made to the Superintendent. If approved, this grant would cover tuition, travel and a stipend equal to the amount offered by the Federal Government. If a teacher receives a Federal Grant, he or she is not eligible for Board reimbursement.
- D. In-service courses will continue to be given. Areas of interest will be determined in part by suggestions from classroom teachers in cooperation with Administrators. In-service courses will be given for enrichment if sufficient desire is shown by the teachers.
- E. Teachers will be encouraged to develop programs within the bounds of the established curriculum and consistent with the philosophy of the Board.

## **ARTICLE XIII: ASSOCIATION RIGHTS**

- A. The Board of Education recognizes that it may be necessary, on occasion, for a representative of the negotiating unit to attend meetings relating to unit activities. On such occasions a request for absence shall be honored by the Superintendent provided an adequate substitute is available. The cost of the substitute will be borne by the negotiating unit.
- B. Before the Board adopts a change in policy which affects wages, hours and other terms or conditions of employment when such a proposed change is not related to a specific item in the Agreement, the Superintendent will introduce the change to the Association Executive Team for discussion and proposed recommendation to the Board of Education.
- C. Copies of this Agreement shall be made available in booklet form and in the teacher's handbook to all professional employees. It shall be the duty of the individual employee to

familiarize himself or herself with the Agreement and keep material up to date and available.

- D. There shall be posted in the faculty rooms of each building notice of scheduled public Board meetings at least 24 hours in advance of such meetings.
- E. All conditions of employment as defined in this contract shall be maintained at not less than the highest standard in effect in the District at the time this Agreement is signed, provided that such conditions shall be improved for the benefit of teachers as required by the express provisions of this Agreement.

This article only refers to those items specifically enumerated in this contract and does not diminish any of the District's rights contained in this contract.

## **ARTICLE XIV: BOARD RIGHTS**

The Board retains all the rights, privileges and authority it had prior to signing this Agreement except as specifically abridged, modified or limited by this Agreement.

## **ARTICLE XV: SALARIES**

Unit members may elect to have their salary payments calculated on the basis of 10 months (20 pay periods) or 12 months (24 pay periods). Paychecks shall be issued electronically on the 15th and 30th of each month. The final Payment due under the 12 month option will be paid in the last salary payment in June. A unit member who desires to change his or her payment option must notify the District as soon as possible, but no later than June 1, for the following school year. This payment option shall remain the default option for that unit member until he/she indicates otherwise in writing to the District.

In order to receive payment for the second semester, the Superintendent must be notified by February 15<sup>th</sup> of that year. It will be determined by the Superintendent.

Transcripts shall be submitted by the teacher to the Superintendent by October 15<sup>th</sup> and March 1<sup>st</sup> for salary adjustments. Hours shall be paid at the rate when earned and shall be a part of base salary for the calculation of percentage increases as listed below.

2. (b) Effective July 1, 1994, for all new employees, a differential of two thousand dollars (\$2,000) will be added to the salary of those teachers who possess a Masters' Degree from an approved educational institution. - ii. For a new degree earned after October 15<sup>th</sup> of the current school year the Superintendent must be notified and documentation must be provided by February 15<sup>th</sup> of the current school year. The differential payment shall be prorated beginning February 1<sup>st</sup> and the prorated amount shall be paid as additional salary through June 30<sup>th</sup> of the current school year.

- iii. If a teacher notifies the Superintendent of a new degree and provides documentation after February 15<sup>th</sup> of the current school year, the full differential shall be paid as additional salary effective September 1<sup>st</sup> of the next school year.
  - iv. Should it be impossible for teachers to comply with these deadlines for circumstances beyond the teacher's control, the matter will be an issue of whether or not the teacher will receive additional payment for a new degree. It will be determined by the Superintendent.
3. Effective July 1, 2020 the following longevity payments will be paid upon achieving the requisite years of service in private and/or public schools and added to base salary.

The members will be given first right to acceptance or refusal of these positions. If no unit member wishes to take any of these vacancies, then the district may go outside the bargaining unit to fill these positions.

Prior to the start of the school year and/or the fall sports season the process of filling these positions occurs before new teachers are hired. Therefore, any open positions during the summer will be offered to new members upon their arrival. The District and Association acknowledge that a non-member candidate who meets the Commissioner Regulations for coaching and has been coaching for the District for a specific sport and level for three consecutive years and has earned successful evaluations each year by the Director for Health, PE and interscholastic Athletics may have the right of first refusal for that coaching position.

3. Teachers coming into the District who have prior experience in an extra duty area may, at the discretion of the Superintendent, be granted full or partial credit for such prior experience if the teacher is assigned to an extra duty area comparable to that in which such prior experience was gained.
