ARTICLE XIV - GRIEVANCE PROCEDURE

A. Definition

1. "Grievance" is a claim by a member or group of members based upon any event or condition affecting their salaries, welfare and/or terms and conditions of employment, including but not limited to any claimed violation, misinterpretation, misapplication or inequitable application of law, rules or regulations, directions, orders, work rules, procedures, practices or customs of the Board and Administration during the term of this Agreement.
2. "Chief Executive Officer" means the Superintendent of Schools.
3. "Grievant" means any party names in a grievance who is an aggrieved party.
4. "Party in Interest" means any party named in grievance who is not the aggrieved party.
5. "Hearing Officer" means any individual or board charged with the duty of rendering decisions at any stage of the grievance procedure.

B. Procedures

Stage 1: Chief Executive Officer – Informal

A member having a grievance will discuss it with the Chief Executive Officer either directly or through an ERAA representative with the objective of resolving the matter informally. The Chief Executive Officer will confer with all the parties in interest, but in arriving at his decision will not consider any material or statement offered by or on behalf of any such party in interest with whom consultation has been had without the aggrieved party or his representative present. If the member submits the grievance through a representative, the member may be present during the discussion of the grievance.

Stage 2: Chief Executive Officer – Formal

If the grievance is not resolved informally, it may be reduced in writing and presented to the Chief Executive Officer. Within five (5) school days after the written grievance is presented to him, the Chief Executive Officer shall, without any further consultation with

the aggrieved party, or any party in interest, render a decision thereon, in writing, and present it to the grievant.

Stage 3: Board of Education

If either the grievant or ERAA is not satisfied with the decision at Stage 2, an appeal may be filed in writing with the Board within fifteen (15) school days after the Chief Executive Officer has given notice of such decision and has presented such decision to the grievant.

1. Within ten (10) school days after the receipt of an appeal, or at the next regularly scheduled Board meeting, whichever is later, the Board shall hold a hearing on the grievance. The hearing shall be conducted in executive session unless the grievant requests an open public hearing.
2. The Board shall render a decision and notice of such decision and a copy thereof shall be given within five (5) school days after the conclusion of the hearing. Notice of such decision and a copy thereof shall promptly be given to the grievant and the President of ERAA.

Stage 4: Arbitration

1. After such hearing, if the ERAA is not satisfied with the decision of the Board rendered at Stage 3, the ERAA may submit the grievance to arbitration by written notice to the Board given within fifteen (15) school days after the Board shall have given notice of its decision to the grievant and ERAA.
2. Within fifteen (15) days after such written notice of submission to arbitration the Board and ERAA will agree upon a mutually acceptable arbitrator competent in the area of the grievance, according to the rules of the American Arbitration Association, and will obtain a commitment from said arbitrator to serve.
3. The arbitrator will hear the matter promptly and will issue the decision not later than thirty (30) calendar days from the date of the close of the hearing, or, if oral hearings have been waived, then from the date when the final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issue.
4. The arbitrator shall limit his decision to the application and interpretation of this Agreement, and to any remedy, if appropriate, which is not inconsistent with this Agreement and is not contrary to law. However, he shall be without power and authority to make any decision or recommendation pertaining to:
 - (a) Contrary to or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law.
 - (b) Involving Board discretion or Board policy under the provisions of this Agreement, except that he may decide in a particular case, involving Board discretion or policy, whether or not the Board applied such discretion or policy discriminatorily, i.e., in a manner unreasonably inconsistent with the general practice followed throughout the school system in similar circumstances.

- (c) Limiting or interfering in any way with the powers, duties and responsibilities of the Board of Education under the applicable law, and rules and regulations having the force and effect of law.
- 5. The decision of the arbitrator shall be final and binding upon all parties.
- 6. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board and ERAA.

C. Rules of Procedure

- 1. All grievances shall include the name and position of the grievant, the identity of the provision of law, this Agreement, policies, etc., involved in said grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for accusing the said events or conditions, if known to the grievant and a general statement of the nature of the grievance and the redress sought by the grievant.
- 2. Except for informal decisions at Stage 1, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth the reasons therefore. Each decision when rendered shall forthwith be transmitted to the grievant, the parties in interest, if any, and the President of ERAA.
- 3. If a grievance affects a group of members and appears to be associated with system-wide policies, it may be submitted by ERAA directly at Stage 3, described above.
- 4. The preparation and processing of grievance, insofar as practicable, shall be conducted during the hours of employment. All reasonable effort will be made to avoid interruption of administrative duties and to avoid involvement of students in any phase of the grievance procedure.
- 5. The Board and ERAA agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the grievance.
- 6. Except as otherwise provided at Stage 1, the grievant and any party in interest shall have the right at all stages of a grievance to confront and cross-examine all witnesses called against them and to call witnesses on their own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.
- 7. No interference, coercion, strain, discrimination or reprisal of any kind will be taken by the Board or by any member of the Board or by any member of the Administration against the grievant, any party in interest, any representative or any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.
- 8. Forms for filing grievances, serving notices, taking appeals and making reports and recommendations and other necessary documents may be developed and approved by both parties. The Chief Executive Officer will then have them duplicated and distributed as the parties agree so as to facilitate operation of the grievance procedure.
- 9. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 10. Nothing contained herein will be construed as limiting the right of any member having a grievance to discuss the matter informally with any appropriate member of the

Administration and to have the grievance informally adjusted without intervention of ERAA, provided the adjustment is not inconsistent with the terms of this Agreement and ERAA has been given an opportunity to be present at such adjustment and to state its views on the grievance, or to be heard with respect thereto before such adjustment becomes final. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects be final, said adjustment shall not create a precedent or ruling binding upon either of the parties to this Agreement in future proceedings.

11. The grievant may choose whomever he wishes to represent him at any stage, except that such representative may not be an official of a competing employee organization.
12. The Chief Executive Officer shall be responsible for accumulating and maintaining an Office Grievance Record of each grievance which shall consist of the written grievance, all exhibits, transcripts, communications, minutes and/or notes of testimony, as the case may be, written arguments and briefs considered at all levels other than Stage I and all written decisions at all stages. Official minutes will be kept by a party agreeable to both sides at both proceedings at Stages 2 and 3. A copy of such minutes will be made available to the grievant and ERAA and within one week after the conclusion of each hearing at Stages 1 and 2. Either party shall advise the appropriate hearing officer in writing of any errors in said minutes. Any such claim of error in the minutes shall become a part of the Official Grievance Record and the hearing officer shall indicate the determination made respecting such claimed error. The Official Grievance Record shall be available for inspection and copying by the grievant, ERAA, and the Board, but shall not be deemed a public record.
13. The existence of the procedure hereby established shall not be deemed to require any Administrator to pursue the remedies here provided and shall not, in any manner, impair or limit the right of any member to pursue any other legal or appropriate remedies available in any other form.

D. Time Limits

1. Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party shall be extended only by mutual agreement.
2. Every grievance will be deemed waived unless the grievance is presented in writing at the first stage within fifteen (15) school days after the member knew or should have known of the act or condition on which the grievance is based.
3. The time of any party to a grievance who is entitled to appeal from any decision rendered with respect thereto shall run from the date when notice is served on such party, regardless of whether such service is late or whether it has been duly served on any other party entitled to notice thereof.
4. Failure at any stage of the grievance procedure to communicate a decision to the grievant, his representatives and ERAA within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

5. In the event a grievance is filed on or after June 1, in any year, efforts will be made by both parties to resolve the grievance before the end of the school term or as soon thereafter as possible.

ARTICLE XV - NO STRIKE PLEDGE

- A. The Board and ERAA recognize that strikes and other forms of work stoppage are contrary to the law and public policy. The Board and ERAA therefore subscribe to the principle that the differences between them shall be resolved without interruption of the educational program in the District.
- B. ERAA affirms that it does not assert the right to strike, nor to assist or to participate in any strike, or to impose an obligation on its members to conduct, assist or participate in such a strike.
